Rosemont is already on the calendar, at the bottom of the 2<sup>nd</sup> page. WTR is identified as the lead division, with ENF as an "other key division", which I think is fine, given that what we're waiting for is the Corps' 404 permit. I'll update the entry to note that the Forest Service's ROD has been signed.

We don't have anything on the 90 day calendar. I spoke with alexis and she suggested we work with Water to put Rosemont on the list. Other than that, we are currently OK. We may need to add Phoenix mine at some point. Kathy, can you work up something for Rosemont? Thanks.

Hello all,

Time to update the Rolling 90-day Issues Calendar. If I'm working OneDrive right, you should be able to open and edit the document using the link below. Please do so by Friday COB, in anticipation of Monday's 11am SMT meet.

Document is currently sorted by "Lead Division".

Thanks!

P.S. Let me know if you have any access issues.
